Suggestions/Recommendations:

A recheck is not needed. The below corrections need to be completed by 11/6/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) with any compliance or training efforts.

Corrective Action Required:

1. Each child's individual emergency number needs to be written on paper and easily accessible. A copy of the emergency numbers needs to be in the vehicle used to transport children. I left a blank form to use.

2. An Emergency Preparedness Plan needs to be completed and easily accessible. I included a blank plan for you to complete. Please call Tracy Honold for assistance.

3. You and Augustas need to have DHHS Medical Forms completed by a medical professional. I left two blank forms for you to take to your doctor.

4. You have the blank forms for the individual files for each child. Please have the parents complete the forms.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jarind@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
