2. Identify Observed Strengths Of The Program

Devon Steinkamp was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Due to Devon's child care hours, she provides snack only. Devon only watches children 3-5 years old. Prior to providing child care, Devon was a kindergarten teacher. She said the children participate in play based learning, arts and crafts, sensory learning and play outside. Devon as large fenced in back yard with playground equipment.
