CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Lori Parson's is a CDH Category C1 provider, living in West Des Moines. She has been a registered daycare provider since 2011. Lori lives in a 2 story house but only uses the main floor for her daycare operation.

2. Identify Observed Strengths Of The Program

Lori Parson's was organized for our compliance check. She had 6 children present during my visit. Children ranging in age 6 months old to 5 years old. She was able to locate trainings for me and provide care the daycare children. Lori participates in the food program. Lori has renewed her Child Net 3.0. She uses Bright Wheel for attendance. Lori said the daycare children play with sensory bins, do arts and crafts, dramatic play and play outside. Lori is IQ4K level 2. Lori uses "cool down" and redirection for discipline. We reviewed all safe sleep regulations. Lori understands all infants need to sleep in their own pack and play or crib with nothing but a fitted sheet.

3. Identify The Aspects That Fall Below The Standard

At the time of my compliance visit, Lori Parsons was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
