Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 04/12/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

Findings:

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.
441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates verifying required training completion:
minimum health and safety training, approved by the Department, in required content areas
Iowa’s Mandatory Child Abuse Reporter Training

Suggestions/Recommendations:

Per my compliance visit on 4/12/2023 the following corrections are necessary based on the above listed rules:
1. Fire drills and tornado drills need to be practiced monthly. Please keep record of these drills for inspection purposes.
2. Your mandatory reporter training has expired. Please make this a priority to get completed.

Corrective Action Required:

All corrections must be completed by 10/1/2023. No recheck is planned at this time. All corrections will be verified at the time of the next compliance visit.
