Rita is a category C1 provider who has been registered since 2008. Rita's home is spacious with a large fenced in back yard. The childcare room is in the downstairs of the home with a door to the outside. Rita belongs to the food program.

2. Identify Observed Strengths Of The Program

Rita is an experienced childcare provider who is committed to providing a caring and nurturing environment for the children. I observed positive interactions between Rita and the children. There are a variety of toys and activities for the children, including arts and crafts and play equipment. The large back yard has several types of play equipment for the children to use.
