CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kris has been providing child care in her community for approximately 35 years. Kris has been a registered child care provider with the state of Iowa since 1993. Kris provides child care for children aged infant through 5 years old. Currently, Kris does not have any enrolled children due to personal circumstances, however, is maintaining her active registration status.

2. Identify Observed Strengths Of The Program

Kris believes her greatest strengths as a child care provider are her communication skills. Kris communicates effectively with parents and is actively engaged and involved with her day care children. Kris is actively involved in enhancing her child care setting and 'moving up' in her profession. This is demonstrated by Kris' involvement with CDA and IQ4K programming. Kris' child care environment is welcoming and set up with children in mind. There are age appropriate activities for all ages and stages of children. Kris is extremely organized with her paperwork which makes her compliance visits much quicker and easy to locate required compliance items.
