CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a Pre-Inspection visit on 11/17/2025 with provider Amanda Wunderlich who has applied to be a Child Development Home Category A provider for the State. Amanda currently has no children in care and does not plan to start her operation until the new year. She will be using the main floor only of her 2 story home. The home had open and clutter free rooms for the future child care space. Amanda has an open side yard she plans to use for an outside play area. She has one dog that has a current vet statement.

2. Identify Observed Strengths Of The Program

Amanda has done a lot of work with Kathy Lloyd from Child Care Resource and Referral. She is new to being a registered provider, has not started any care at this time, and is waiting to see what the ages of future children are before committing to any particular curriculum. Amanda plans to incorporate some type of learning activities into whatever curriculum she decides on. Amanda has been approved as a Category A provider effective 11/17/2025.

3. Identify The Aspects That Fall Below The Standard

Provider had all of her necessary compliance items in place for the pre-inspection.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Amanda to continue working with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Amanda has no infants under 12 months of age in care. We reviewed safe infant sleeping policies for future reference.
