## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Ashely has been a registered childcare provider since May 2015. Ashley is a category B child development home, and she was caring for 6 children at the time of the compliance visit. Ashley accepts children from 0-4 years old, no school age children. Ashely's childcare hours are 7:00am to 5:00pm, Monday thru Friday. Ashely's childcare is located in the lower level of her home, which includes a walk-out to the fenced back yard and a kitchen. Ashely's husband, Carl, her registered substitute.

**2. Identify Observed Strengths Of The Program**

Ashely was caring for 6 children at the time of the compliance visit. The children were getting ready to go outside to play in the large, fenced-in yard. Some of the children were looking at books and other children were playing with blocks.

Ashely says that they do many activities, including themed crafts 2-3x's/week. Ashley says that for Easter they are planning to do an Easter egg hunt. Ashely says that the kids love activities like doing scavenger hunts when they go on walks around the neighborhood. Ashely has an inflatable bounce house that she will put up inside her home when the weather doesn't permit outside play. Ashely does not have a pool but says that the children like to do water play with a water table and sprinklers.

Ashley says that she has great communication with families, they talk and text daily.

**3. Identify The Aspects That Fall Below The Standard**

Ashley was found to be in full compliance.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

None

**5. Special Notes/recommendations**

Targeted Compliance: Emergency Preparedness Plan

Ashely's EPP was reviewed and found to be appropriate and up to date.
