CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Iftu Ibro is now registered as a category A child development home. She resides in a larger older home with plenty of space on the main floor for childcare. There is a fenced in backyard for the children to play in. Iftu also has a Child Care Assistance provider agreement.

2. Identify Observed Strengths Of The Program

Iftu's home is clean and well maintained. There are no safety concerns in the home. She was well prepared for her preinspection visit. She seems to be committed to providing a quality childcare program for the families and children.

3. Identify The Aspects That Fall Below The Standard

110.8 (1) g : Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.

The provider needs a 2A-10BC rated fire extinguisher on the main floor of the home.

**Provider sent documentation of approved 2A-10BC rated fire extinguisher on 1/29/26. Approved effective 1/29/26.

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report .Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.

The provider needs documentation of a recent physical examination for one of her children.
