I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

St Anthony Junior & Plus is located in St. Anthony Parish. It is overseen by a board of directors. The daycare center has a secured entrance. The center operates before and after school and also during the summer months. Preschool age children also attend during the school day. The center provides programming for children preschool age through school age. The majority of programming occurs in the main cafeteria of the Parish. The Junior's classroom is located within the cafeteria area. Justina Glick is the director of the program. Justina has been employed at the center since January 2019. Justina has a BA in Human Services. She has her CDA and worked at another child care center for three years prior to coming to this center.

An unannounced visit was completed today. All areas subject to DHS licensing rules were reviewed. Mandatory postings are in place. The schedules are posted. Lesson plans are available. The children's coats and backpacks are kept in lockers and cubbies. The center sets out games and table toys and some interest areas for child care. The Junior classroom has age appropriate furnishings, toys and learning supplies. The classroom has defined interest areas.

Justina Glick was present today and she assisted with the visit. Three staff were working with the school age children. There were twenty eight school age children present. There were five children in the Junior classroom. There was one staff working in this room. School age children were observed in the cafeteria and on the playground. In the cafeteria, children were doing table activities. Children were involved in child directed play activities in the Junior classroom. Staff were actively engaged with the children throughout the visit.

The children get a snack after school. Children bring their own lunches in the summer. Children eat breakfast in the school cafeteria. Menus reviewed today show the center is following CACFP guidelines.

The center uses one of the school's preschool playground. School staff maintains the playground. The center completes playground checklists. There is fencing around the playground. There is natural shading. Wood chips provide surfacing material.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Justina Glick has several years of experience working in centers prior to coming to this center. Administrative files are in great shape. This center has been in operation for many years, previously licensed under the Department of Education. Justina has reached out to her CCR&R consultant on her own for support and advice. The program is well supported from the Parish. The center has a secured entrance.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

There were no licensing violations noted at this visit.

V. SPECIAL NOTES/RECOMMENDATIONS:

The center has a full license.
