CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Bridget has been a registered child care provider with the state of Iowa for 16 years providing care in the same location the entire time. Bridget accepts children aged infant through school age and only provides care for first shift. Bridget's child care setting is primarily a play based environment where she tries to incorporate learning activities when possible. Bridget spends a large amount of time outside with the children enjoying the outdoors and fresh air.

2. Identify Observed Strengths Of The Program

Bridget genuinely loves kids and what she does. Bridget states she is good with the parents as well, regularly communicating with them regarding their children. Bridget has families that she has provided care to for an extended period of time. Even when families age out of care, Bridget maintains communication and relationships with them afterwards as they have all become like family. Bridget's paperwork and organization has improved greatly through the years.

3. Identify The Aspects That Fall Below The Standard

110.8 (1) h : Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.
Each smoke detector has been installed according to manufacturer’s recommendations.
Bridget needs to put two smoke detectors back up (top of basement stairs and play room).

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
Bridget's dog Oliver is current on vaccines however it has been more than a year since visit. Updated exam is needed on required HHS form.

110.9(4) : An individual file is maintained for each child and updated annually or when there are changes.
Bridget has one child's file that needs the intake form signed and dated.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Bridget needs to send verification of the above items to Kathy by 10/13/2025. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.
