Suggestions/Recommendations:

A recheck is not needed at this time. The below corrections need to be completed by 8/23/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) with any training or compliance efforts.

Corrective Action Required:

1. A smoke detector was beeping during the compliance check. please check your smoke detectors each month and document. Replace the battery immediately when it begins to beep.

2. Each child's individual emergency numbers need to be written on paper and easily accessible. A copy of these numbers need to be in the vehicle used to transport children in care.

3. A First Aid Kit needs to be in the vehicle used to transport children.

4. Please complete an Emergency Preparedness Plan. I left a blank form. Traci is coming next week and she can assist you with completing this plan.

5. Each child in care needs to have an individual file with specific information. I left a list of information that needs to be in the individual file. Traci can also assist with preparing a file.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jarind@dhs.state.ia.us if you have any questions regarding this letter.
