Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 01/26/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7	**Provider Requirements**
441 IAC 110.8	Standards. Conditions in the home are safe, sanitary, and free of hazards.
441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"b"	Electrical wiring shall be maintained, and all accessible electrical outlets shall be tamper-resistant outlets or shall be safely capped. Electrical cords shall be properly used. Improper use includes running cords under rugs, over hooks, through door openings, or other use that has been known to be hazardous
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(2)	**Use of Outdoor Space**
441 IAC 110.8(2) "a"	A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.
441 IAC 110.8(3)	**Medications and Hazardous Materials**
441 IAC 110.8(3)"a"	All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child
441 IAC 110.8(3) "d"	The provider shall establish procedures related to infectious disease control and handling of any bodily excrement or discharge, or blood. Soiled diapers shall be stored in containers separate from other waste.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.8(5) **Safe Sleep**

441 IAC 110.8(8) Activity Program. There is an activity program and it promotes self-esteem and exploration.

a. Activity program includes active play.
b. Activity program includes quiet play.
c. Activity program includes activities for large muscle development, such as running, climbing and riding toys.
d. Activity program includes activities for small muscle development, such as coloring, puzzles, finger plays and play dough.
e. Play equipment and materials in a safe condition, for both indoor and outdoor activities which are developmentally appropriate for the ages and number of children present.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"b"(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the

physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

Angelick needs to place safety caps in one electrical outlet in her play room and one electrical outlet in her back bedroom.

Angelick needs to check her smoke detectors on a monthly basis and show documentation of this completion. No data was available for today's visit.

Angelick needs to remove pile of sticks/branches next to her garage and fence posts from the area.

Angelick needs to remove items from the top of her toilet in the bathroom labeled "Keep Out of Reach of Children" and place in a child inaccessible area.

Angelick needs to obtain a changing pad or changing table to change soiled diapers.

Angelick needs to perform monthly fire and tornado drills with her daycare children and document when this has been completed. There was no data available during today's visit.

Angelick will make the following additions to her Emergency Preparedness Plan:
Lockdown section: "Will lock all doors and windows as possible." "Will not allow any person(s) in or out of her childcare facility until the all clear is given by the provider or law enforcement."
Continuity of Operations section: "Will not resume childcare operation until DHS approval is given to re-open.

Angelick needs to show examples of gross motor toys for outdoor play for her daycare children.

Angelick needs to show documentation of her Background Check Approval letter from the Central Childcare Registration Unit.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number. Need for H.S., A.S.(8), A.S.

(4), J.S.

Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency. Need for H.S., A.S.(8), A.S.(4), J.S.

A signed medical consent from the parent authorizing emergency treatment. Need for H.S., A.S.(8), A.S.(4), J.S.

An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. Need physical for D.H.

For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report. Need school-aged health status form for H.S., A.S.(8).

A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable. Need for H.S., A.S.(8), A.S.(4), D.H.

Documentation list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child. Need for H.S., A.S.(8), A.S.(4), J.S.

Written permission from the parent for the child to attend activities away from the child development home. Need for H.S., A.S.(8), A.S.(4), J.S.

Suggestions/Recommendations:

Corrective Action Required:

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home either on or after 3/17/23.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (319) 768-8653/creckli@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Chad Reckling

Social Worker II

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 563-324-3236

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html

You may also access training at: https://ccmis.dhs.state.ia.us/trainingregistry/

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
