Safe Sleep and practices it in her Child Development Home. Danisha's hours of operation allow her to be flexible and serve families with non-traditional schedules. Children in Danisha's care receive regular meals and snacks as needed. Danisha describes her CDH as structured, she uses a schedule with group time, individual play time, and free play.

Danisha is working with her Child Care Resource and Referral worker to complete her IQ4K status for her registration.

Danisha's behavioral interventions when needed include Quiet Time, redirection, and processing feelings when the children need it.

**3. Identify The Aspects That Fall Below The Standard**

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

1. A smoke alarm need to be installed in the front room where the children play.

2. A DHHS Pet Form need to be completed each year for each dog or cat in the home on a yearly basis.

3. A DHHS Medical Physical Form needs to be completed by a qualified medical professional every 3 years. I left 2 blank forms for you to take to the doctor.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**
