CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Stacy Williams is a CDH Category C1 provider, living in Johnston. She has been a registered daycare provider since 2013. Stacy lives in a two story house but only uses the basement area for her child care operation. Her basement has an egress window with permanent steps to the window.

2. Identify Observed Strengths Of The Program

Stacy Williams was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Stacy participates in the food program. Stacy runs her daycare like a preschool program. The children color, count, their ABC's, listen to music and play outside. Stacy has a large fenced in backyard. I observed Stacy complying with all safe sleep regulations. Stacy uses redirection and talking to children for discipline. Stacy has completed all of the training to be a category C1 child care provider.
