04/18/2025

Lisa Campbell
310 Locust ST
Waterloo, IA 50701

Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 04/18/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"a"	The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information
441 IAC 110.8(1)"b"	Electrical wiring shall be maintained, and all accessible electrical outlets shall be tamper-resistant outlets or shall be safely capped. Electrical cords shall be properly used. Improper use includes running cords under rugs, over hooks, through door openings, or other use that has been known to be hazardous
441 IAC 110.8(1)"g"	The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.
441 IAC 110.8(3)	**Medications and Hazardous Materials**
441 IAC 110.8(3)"a"	All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child
441 IAC 110.9	Files
441 IAC 110.9(1)	**A provider file is maintained and shall contain the following:**
441 IAC 110.9(1)"b" (1)	I-PoWeR records or certificates verifying required training completion: Prior to registration: • minimum health and safety training, approved by the Department, in required content areas • Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

An annual compliance check was completed on 4/18/25 and the following was out of compliance:

441 IAC 110.8(1)“a” The number for each child’s parent, a responsible person who can be reached when the parent cannot, and the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information.

Lisa's written list of children, parental contact, emergency contact and Dr information needs to be updated.

441 IAC 110.8(1)“b” Electrical wiring shall be maintained, and all accessible electrical outlets shall be tamper-resistant outlets or shall be safely capped. Electrical cords shall be properly used. Improper use includes running cords under rugs, over hooks, through door openings, or other use that has been known to be hazardous

Lisa had a few outlets on the upper level of the home that did not have safety caps.

441 IAC 110.8(1)“g” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

The fire extinguisher on the upper level was on empty.

441 IAC 110.8(3)“a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child.

Lisa did have a few medicines on the kitchen counter that were accessible to the children. She did move those while this worker was present. Lisa did have cleaners/chemicals in the upstairs bathroom accessible to children. Lisa also had cleaners on the living room tale accessible to children and several on the kitchen counter and several in the main bathroom. She did move some of them while this worker was present. We did discuss the need to ensure that cleaners and chemicals and medicine are kept out of the reach of children. We did discuss a few areas of the home where she could keep them, so they are not accessible to the children.

441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates verifying required training completion:
Prior to registration:
minimum health and safety training, approved by the Department, in required content areas
Iowa’s Mandatory Child Abuse Reporter Training
Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

Lisa could not locate verification of a current First aid and CPR training.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
The examination report or statement of health status shall be on file before the child’s first day of care
For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
Documentation list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

Lisa was missing an authorization for emergency medical care for one child.

Lisa was missing initial physicals for 2 children.
Lisa was missing authorization on who can pick up a child for one child.
Lisa was missing an immunization record for 2 children.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 5/9/25 and will be reviewed at the next annual compliance check. Please send pictorial verification of the items where specifically noted below.

I encourage you to work with Black Hawk County Child Care Resource and referral at 319-233-0804 if you have any ongoing compliance or training needs.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Lisa's written list of children, parental contact, emergency contact and Dr information needs to be updated.

Lisa needs to ensure that all accessible outlets have safety caps. Lisa needs to send pictorial verification of the two areas on the upper-level bedroom that they have the appropriate safety caps.

Lisa needs to obtain a new fire extinguisher for the upper level of her home, and she needs to send pictorial verification to HHS.

Lisa needs to ensure that all medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child. Lisa needs to send pictorial verification to this worker that those has been secured and are out of reach of the children.

Lisa needs to locate verification of a current First aid and CPR training and send pictorial verification to this worker.

Lisa needs to work with the parents to obtain all of the required documentation for the children's files.

Addendums:

- Addendum1: Lisa's annual compliance check was completed on 4/18/25. Lisa needed to send pictorial verification of a few items. She did send pictorial verification of the items requested on 4/30/25.

This Addendum is approved by supervisor on 5/1/2025 3:34:58 PM

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or christy.weber@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Christine Weber

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 877-216-8481

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html

You may also access training at: https://ccmis.dhs.state.ia.us/trainingregistry/

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
