CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jodi is category B provider who has been registered for 30 years. Her hours are mainly from 7:00AM to 5:30PM. She accepts children of all ages. Jodi belongs to the food program and has a Child Care Assistance Provider Agreement. She is Child Net certified.

2. Identify Observed Strengths Of The Program

Jodi's home is neat and well maintained. There are no safety concerns present. Jodi runs a play-based program that is child directed. There are many in door activities for the children including coloring, play-doh, kinetic sand, magnetic tiles and crafts. During the summertime they spend a lot of time outdoors. Jodi has a large fenced-in back yard with a wooden structure for climbing with swings and a slide. There are also a playhouse, monkey bars and push cars. Jodi prefers having a smaller group of children so she can provide more individual attention to each child. Jodi loves what she does and watching the children grow.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for: Evacuation to safely leave the facility, Relocation to a common, safe location after evacuation, Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue, Lock down to protect children and providers from an external situation, Communication and reunification with families, Continuity of operations, and Procedures to address the needs of individual children, including those with functional or access needs.

Jodi needs to include a plan for continuity of operations in her Emergency Preparedness and Response plan

110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.

One child needs documentation of a recent physical examination in their file.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
