Corrective Action Required:

Celia's house is under some construction currently. Specifically her downstairs bathroom is not usable. There is currently no floor in the bathroom. The door remains shut to the bathroom and the children are also not allowed in the kitchen area as the floor there is down to subfloor and near the bathroom. Celia needs to put the gate to the kitchen back up as a double enforcement of safety for these areas under construction. Children are utilizing the bathroom upstairs, but do not use any other room upstairs.
Celia needs to update emergency numbers to ensure all children's doctor's numbers are included. Celia needs to place a copy of emergency numbers in transport vehicle.
Celia needs to remove the hanging wire over the stairs.
Celia needs to place a non smoking sign in her transport vehicle.
Celia's outdoor area has unsafe items that are being used by contractor (ie. saw, building materials). There is also a trampoline in the backyard that is missing poles. Celia is not using the outdoor area at this time, however, needs to address these items.
Celia needs a child lock for cabinet under sink in upstairs bathroom. Upstairs bathroom is currently being used by the children due to downstairs bathroom being remodeled and currently unsafe for use.
Celia needs tweezers (plastic or metal new in package) for her transport vehicle.
Celia could not locate her 2023 drill records. If Celia can not locate, she will keep two years worth of drills starting now.
Celia needs a physical for her daughter Amiyah.
Celia needs completed background check letter from CCA Unit for her daughter who is an assistant. Celia can call CCA Unit at 866-448-4605 to request background check letter. Celia needs physical for assistant documented on HHS form.
Celia's assistant needs to complete MART training prior to being utilized as an assistant.
Celia needs to ensure all enrolled children have updated enrollment forms (signed and dated within the last year) and current physicals and immunizations records.

Celia needs to send verifications of the above items to Kathy by 9/13/2024. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971. Child files do not need to be sent and will be reviewed at next year's visit.

If items are not received, a follow up visit will be required.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.huinekr@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Kathy Huinker
