CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Amanda has been a registered childcare provider since September 2020. Amanda is a category B provider, and she has no assistants or substitutes. Amanda's childcare hours are 7:00am to 4:30pm, Monday through Friday. Amanda accepts children ages 8 weeks to 8 years. Amanda participates with the food program.

2. Identify Observed Strengths Of The Program

Amanda was caring for 6 children at the time of the compliance visit. The children were playing with magnetiles in the living room area. Amanda says that she likes to keep her numbers low so she has more 1:1 time with each child. Amanda says that the majority of her childcare curriculum is "free play" because she feels that children learn how to share and take turns. Amanda says that the children love watching Danny-Go, doing some crafts and playing outside. Amanda recently purchased a "Tonie", where different book characters read stories to the kids. Amanda was observed comforting a child who was struggling with missing their parent.

3. Identify The Aspects That Fall Below The Standard

Amanda was found to be in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

Targeted Compliance: Emergency Preparedness Plan

Amanda's EPP was reviewed and found to be up to date and appropriate.

HHS Child Development
Home Compliance Worker: Holly Bailey Date: 7/9/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
