Shaney Ford, is the director for all of the Stepping Stones programs. She was not present at this center on the day of the visit. Kortney Hudson is the on site supervisor for this site. Kortney was present along with other staff including, Crystal Simmons, who provides additional oversight under the center director of the Stepping Stones program. This center serves school age children from this school only. The program operates on school days only.

The primary licensed spaces for this program are half of the gym/cafeteria (maximum 24 children), media center/library (maximum 30 children), and room 26 (maximum 17 children). The center director has confirmed that the center always has access to at least half of the gym and room 26. The library is available for the program during its hours of operation except for on Wednesdays.

The center also includes the ability to use room 12 (18 children) and room 29 (29 children). Staff are reminded to ensure that all spaces meet licensing requirements prior to use.

There are individual restroom areas for boys and girls adjacent to the gym, and hallway restroom areas nearby to room 26 are utilized by the program.
