02/20/2023

Sunnyside Daycare
1005 N College AVE
Mt Pleasant , IA 52641

Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 02/20/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 2 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7 **Provider Requirements**

441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“ i” Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home’s hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:

1. The telephone number for reporting complaints, and
2. The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.8(1)“ n” Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.
3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.
4. All animal waste shall be immediately removed from the children’s areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet

waste.
5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(2) **Use of Outdoor Space**

441 IAC 110.8(2) "a" A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

441 IAC 110.9(3) An individual file is maintained for each substitute and contains:

1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) "a" have been completed and authorizing or conditionally limiting the person's involvement with child care.
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

Susie needs to place an Iowa Smoke Free Air Act compliant no smoking sign on her back door of her upstairs. A sign was given to the provider during today's visit.

Susie will show documentation of a current physical for one dog on the Pet Health Examination Form.

Susie will remove cracked toy items from her outdoor sandbox.

Susie needs to place the specific street address for her evacuation area on her emergency plans that are posted.

Susie needs to make the following additions to her Emergency Preparedness Plan:
Lockdown section: "Will not allow any person(s) in or out of her childcare facility until the all clear has been given by the provider or law enforcement."
Continuity of Operations: "Will seek out DHS approval prior to re-opening her childcare facility."

Susie needs to show documentation of a current School-Aged Health Status form for Anthony.

Susie needs to show documentation of current course completion for First Aid/CPR for Destiney.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

A signed medical consent from the parent authorizing emergency treatment. Need updated parent signature and date on form for A.R., P.U.

An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. Need physical for R.D.

For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement. Need updated physical for E.P.

A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable. Need signature and date on form for K.S. Need for R.D.

Written permission from the parent for the child to attend activities away from the child development home. Need updated parent signature and date on form for A.R., P.U.

Suggestions/Recommendations:

Corrective Action Required:

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home either on or after 4/11/23.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (319) 768-8653/creckli@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Chad Reckling
