II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Little Lambs Christian Preschool has been in operation since 1981. The non-profit program is located inside Zion Lutheran Church and is governed by Zion's Board of Education. Little Lambs Preschool operates school-year only and offers various preschool opportunities to children age 3, 4, and 5-years-old. Current enrollment is 62.

Ms. Boyle has been the program's director since spring, 2014. Mrs. Boyle graduated from Kaplan University and has taken many hours of Early Childhood classes. She worked at Little Lambs Christian Preschool for 10 years prior to becoming the director. Ms. Boyle is a member of the Iowa Association for the Education of Young Children (IAEYC) and the National Association for the Education of Young Children (NAEYC). She is also a member of the Lutheran Church-Missouri Synod (LCMS).

On 1/11/2024, program space was observed.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Little Lambs Christian Preschool offers a variety of preschool opportunities to children age 3, 4, and 5-years-old throughout the community.

Little Lambs Christian Preschool has been in operation since fall 1981. The 2023-2024 school-year marks this program's 42nd year of providing early learning to preschool-age children throughout the community. Congratulations!

Little Lambs Christian Preschool has the following website for families and the community: https://zionhiawatha.org/preschool/. The program also sponsors a private social media page specifically for enrolled families.

The purpose of Little Lambs Christian Preschool is to "...provide a well-rounded and nurturing pre-kindergarten experience for three, four, and five year olds in a Christian environment. Little Lambs Christian Preschool supports the home by providing a program of developmentally appropriate learning activities that will contribute to the child's mental, physical and spiritual development and further his/her social and emotional growth...."

Little Lambs Christian Preschool has a history of participation in local quality initiatives. The program has applied for and received grants including grants to fund family scholarships.

Staff are professional - organized, educated, and experienced. Ms. Boyle has been with the program for over 9 years. Ms. Boyle is organized, and in turn, the program experiences smooth daily operations. Ms. Boyle has noteworthy systems of organization in place to help ensure administrative items to be completed as required and maintained in a confidential manner. Staff are aware of licensing rules as well as their own program's policies and procedures.

Little Lambs Christian Preschool has retained all seasoned employees. The staff longevity remains impressive! The staff's

passion for early childhood is clearly evidenced throughout the curriculum and classrooms. During this monitoring visit, unique teacher created center play experiences observed included a beauty salon (e.g. mannequin hair styling, register, appointment making), post office (e.g. letter writing, envelope addressing, mailing, stamps), veterinarian clinic, doctor's office, and construction building. Children were observed to be greatly enjoying the salon experience as evidenced by their laughter, inquisitive exploration and imaginative play! Ms. Boyle discussed great appreciation for her team of people who work closely together. Ms. Boyle also discussed how staff continue to be recognized, supported, and valued in all capacities.

The history of how Zion Lutheran Church and Little Lambs Christian Preschool came to fruition is impressive (e.g. began as a mission in 1949, started in a one room school house before moving to present location, congregation officially formed in 1954, ground breaking new house of worship 1956, renovation with addition in 1969). In August 2023, Zion Lutheran Church obtained a new pastor. Zion Lutheran Church has many ministries including children's ministries incorporating Sunday School, Children's Puppet Ministry, Vacation Bible School and preschool. Little Lambs Christian Preschool is a ministry of Zion Lutheran Church and governed by Zion's Board of Education. Church administration, church custodial staff, and the board help ensure the program space is sanitary and hazard free each day. The property is spacious, sanitary, and well-maintained. The space is ADA accessible and an AED machine is on-site. Ms. Boyle shared how they've greatly appreciated a church volunteer's passion for food and cooking which has lead to preschool snack including freshly seasonal baked breads (e.g. zucchini, pumpkin) as well as an additional grant opportunity to help offset the costs of preschool snack.

Little Lambs Christian Preschool has emergency plans, policies, and procedures in place which are annually reviewed and updated as needed. The preschool successfully navigated through the 2008 Linn County flood, 2019 winter Polar Vortex, 2019 health (Covid-19) pandemic, 8/10/2020 Derecho Storm and 2023 air quality issues.

Little Lambs Christian Preschool continues efforts at optimal communication between the program/staff and families. The program has organized parent-staff/program information centers, offers regular program newsletters, utilizes technological communication resources, and supports family programming activities. Registration for the 2024-2025 school-year is currently underway. Ms. Boyle discussed how many children and families who experience their program's3yo preschool remain with them for their 4yo preschool program.

Classrooms continue to be arranged in a thoughtful manner with learning at the forefront. Children's accomplishments (e.g. 4yo "Preschool Family" wall with photos and handmade frames) were displayed in the program space. All classes follow age appropriate Creative Curriculum standards with units in Math, Science, Literacy, Creative Arts (Art and Music) and Social Skills. Curriculum also includes Teaching Strategies Gold, motor skill development, "One in Christ" Christian lessons, and teacher inspired ideas. Ms. Boyle talked about how an annual literacy experience incorporating the book "Gingerbread Boy" (e.g. cooking activity, hide-and-seek) is highly cherished among their students! Little Lambs Christian Preschool has a deep history of offering a variety of special program/family events throughout each school-year including preschool-family conferences, fall orientation, spring preschool graduation celebration, monthly chapels with Pastor or DCE, guest speaker events (e.g. community helpers, local bakers, area farmers), additional enrichment opportunities (e.g. Little Sports), walking trip experiences, "Muffins with Mom", "Donuts with Dad", and Christmas program.

Little Lambs Christian Preschool has a solid reputation in the community. During the 2019-2020 school-year, Little Lambs Christian Preschool began a partnership with the Cedar Rapids Community School District (CRCSD) to provide a statewide voluntary 4-year-old preschool program. This is their 5th year in partnership. Ms. Boyle discussed continued opportunities for monthly collaboration with the CRCSD as well as trainings through AEA and the district. Little Lambs Christian Preschool collaborates well with many community agencies including area access services, local colleges and local health professionals. Little Lambs Christian Preschool has well-established partnerships with local businesses including the library, post office, local mission/charity, and police station.

Each child is engaged in a daily health check upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. The program has policies and procedures in place for hand washing, cleaning, sanitizing and disinfecting. Staff were able to verbalize and engage in these processes.

On the day of the monitoring visit, staff were nurturing and attentive to the children's needs. Areas of study included winter polar animals and Jesus as a young boy. Children have access to an array of materials (e.g. books, imaginative play options, building materials, sensory, crafts) that encourage innovative play. Since the last review, new gathering/arrival table activities have been established and introduced. Staff provided a companionable presence allowing children to have many choices in their play experiences. Routine transitions (e.g. clean up activities) worked smoothly into the program's welcoming and cooperative play environment. Staff were overheard providing children with many words of encouragement and engaging children in much meaningful discussion. Children responded well to staff and appeared to be truly enjoying their day.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

None noted.
