CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Caroline is a category B provider who has been registered on and off since 2010. She has a Child Care Assistance Provider Agreement. She is currently only watching her own grandchildren. She has a play-based program that is guided by the children.

2. Identify Observed Strengths Of The Program

Caroline's home is clean and well organized. She is a kind, nurturing provider who runs a very structured day for the children. She has scheduled times for reading, songs, snack, outside play, and free time. She provides balanced and nutritious meals and snacks.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector is tested monthly, and a record is kept for inspection purposes.

The provider needs to document monthly testing of the smoke detectors.

110.8 (4) a : Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.

The provider needs to post emergency exit plans for fire and tornado by all exits of the home.

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.

Several of the children need updated physical examinations in their files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations

NA
