1. Each child in care needs to have their individual emergency contacts written on paper and easily accessible. I left a blank form to use.

2. During the compliance check smoke detectors were beeping indicating the battery needs to be changed. If the smoke detector continues to beep after changing the battery the smoke detector needs to be replaced.

3. An Emergency Preparedness Plan needs to be readily available. I referred you to Child Care Resource and Referral to assist you in creating a plan.

4. A doctor's visit note and immunization records need to be in your provider file for each household member under 18 years old.

5. Each child in care needs an individual file containing specific demographic information, releases, consents, and medical information. I left a list of the information that need to be in each file.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
