CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Kristie Daily on 3/23/2026. Kristie has been involved with child care for 33 years. She is due to renew her registration effective 2/28/2027 though is planning to retire before that date, likely around the end of 2026. Kristie continues using her basement level only in her ranch style home. Kristie has an egress window and step system to serve as her second exit from the basement. Almost her entire basement is designated for child care with good open space several play stations. Kristie had 7 children in care during our visit, and is currently caring for a total of 8. Kristie has 2 dogs and 3 birds, all have appropriate and current vet statements on file. The birds are on the main floor and have no access to the children. Kristie has a fenced back yard that serves as her outside play area.

2. Identify Observed Strengths Of The Program

Kristie has 33 years of experience as a child care provider. She describes her strengths as her patience and verbal exchanges with the children. She describes her curriculum as mostly free play. They conduct 30 minutes of "circle time" each day, and regularly use flash cards for learning. (Kristie has a very young group of children at this time.) The kids have regular outside time as weather permits. She participates in the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

Kristie was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

We conducted the 2026 targeted compliance for the Emergency Preparedness Plan. Kristie was in compliance having a plan consistent with her current operation.

I encourage Kristie to work with Amanda Takes from Child Care Resource and Referral with any ongoing compliance or training needs.
Amanda can be reached at: (712) 541-9470

Kristie currently has no infants in care under 12 months of age. We reviewed safe infant sleeping policies for future reference.

HHS Child Development
Home Compliance Worker: Earl Crow Date: 4/2/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at
