CHILD CARE ANNUAL EVALUATION

1. Basic Overview

An unannounced compliance visit was completed at the level B registered child development home of Kimberly Vander Veen. As a level B home, Kimberly is allowed 8 full time children with an additional 4 school aged for a period of 2 hrs or less without an assistant being present. Kimberly currently does not have any approved substitutes or assistants. Kimberly has been providing care for 10 years, 8 as a registered provider. She is open from 7:30 a.m. - 5:00 p.m. M-F. She accepts children of all ages and accepts state child care assistance. She participates in the food program, ensuring nutritious and balanced meals.

2. Identify Observed Strengths Of The Program

Kimberly has several years of experience, allowing her a good understanding of child development and behaviors. She describes a "home away from home" environment for her families. She offers a learn through play program that offers a flexible schedule. The children enjoy activities such as singing and dancing.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
- 2 household members needs physicals by 8/1/26. These will be looked at during the next compliance visit.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
- Go through all child files and update as needed. This will be checked at next years compliance visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

2026 targeted compliance of emergency preparedness plan showed to be compliant with current operations.
