1. Basic Overview

Teresa Sluwar is a CDH Category B provider, living in Johnston. She has been a registered daycare provider since 2016. Teresa has one approved sub/assitant. Teresa lives in a 2 story house but only uses the main floor area for her child care operation.

2. Identify Observed Strengths Of The Program

Teresa Sluwar had 4 children present during my compliance visit, ranging in age 1 1/2 year old to 7 year old. Teresa has a fenced in backyard. Teresa said the children like to read books, play with toys, watch tv shows and play outside. We reviewed all safe sleep regulations. Teresa does not have any infants enrolled currently, but does have a pack and play.

CHILD CARE ANNUAL EVALUATION

Teresa provides 24 hour care. She has 6 children who come for an evening shift and 5 for an overnight shift.

3. Identify The Aspects That Fall Below The Standard

110.7 (2) d : Use of a substitute is limited to:No more than 25 hours per month.An additional period of up to two weeks in a 12-month period.These limitations do not apply when the provider is engaged in jury duty or official duties related to the provider’s membership on a state board, committee, or policy-related body.
Each smoke detector has been installed according to manufacturer's recommendations.
Each smoke detector is tested monthly, and a record is kept for inspection purposes.
110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9 (3) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
110.9 (3) d : Certification in infant and child first-aid that includes mouth-to-mouth resuscitation.If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Your mandatory reporter training has expired. CCR&R can help find classes if you need assitance.
2. Please log substitute hours. A sub can be alone with children no more then 25 hours.
3. Smoke detectors were beeping on the 2nd story of your house. Please make getting new batteries a priority.
4. A lock is needed on your cabinet under your kitchen sink. Please get a lock or move the cleaning supplies.
5. Emergency preparedness plan needs to be completed. This plan addresses evacuation, shelter in place, and lock down procedures. Your plan was missing pages. I would encourage you to work with CCR&R as indicated below in suggestions.
6. Fire and tornado drills need practiced each month. Record of these drills need kept for inspection purposes.
7. You were unable to locate your physical. Physical needs completed on the state required form and updated every 3 years.
8. Your sub needs a physical completed. Physical needs completed on the state required form and updated every 3 years.
9. Your sub CPR training has expired. CCR&R can help you find classes if you need assitance.
10. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations
