CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Samantha has been a registered childcare provider since March 2014. Samantha is a category B provider, and she has one assistant/substitute and one assistant. Sam's childcare hours are 8:00am to 5:30pm and she accepts children ages 18 months through school age. Sam's childcare is located on the lower level of her home, which is decorated with bright colors and walks out into her fenced back yard. Sam participates with the food program.

2. Identify Observed Strengths Of The Program

Sam was caring for 5 children at the time of the compliance visit. The children were watching an education show learning counting, while Sam was preparing lunch. Sam was observed redirecting children and having positive interactions.

Sam says that she feels "motherly" and wants her childcare children to feel at home. Sam reports having very positive relationships with the families of the children she cares for. Sam says that she works on basic skills with the children, such as shapes, colors, numbers. Sam says that she can keep the children's attention for about 25 to 30 minutes to do daily circle time and story reading. Sam says that the children enjoy playing in the sprinklers and taking walks to a local park.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.

1. Sam was missing current physicals for some of the files that were reviewed.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Sam will have current physicals/statement of health, in all children's files.

5. Special Notes/recommendations

Targeted Compliance: Emergency Preparedness Plan

Sam's EPP was reviewed and found to be up to date and appropriate.
