CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Celia has been providing child care for approximately 7 years and has been registered the entire time. Celia provides care to children aged 6 weeks through school aged. Celia provides care from 6 a.m.-12 a.m. 7 days a week. Celia does transport children as well. Celia provides a play based child care setting for children in the quad city area.

2. Identify Observed Strengths Of The Program

Celia believes her greatest strengths are her ability to communicate well with parents of children and that she is very patient with children. Celia's paperwork has improved greatly since she started using the child care binder provided by Child Care Resource and Referral. This makes Celia's annual compliance visits much smoother and quicker having all required paperwork in one area.

3. Identify The Aspects That Fall Below The Standard

All travel vehicles must have a paper copy of emergency parent contact information.
Celia needed a copy of emergency numbers in transport vehicle. Celia copied list during visit and placed in vehicle.

110.8 (1) h : Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.
Each smoke detector has been installed according to manufacturer’s recommendations.
Celia needs smoked detector installed in living room.

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
Celia needs pet records documented on required HHS form for Cookies and new dog Benji.

110.8 (2) a : A safe outdoor play area is maintained in good condition throughout the year.
Celia needs to do a general clean up of the outdoor play area, picking up some litter, etc...

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Celia needs to locate her physical exam documented on required HHS form or receive new physical.

Celia's Mandatory Child Abuse Reporter training has expired in September 2025. Celia needs to retake this course.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
