1. Basic Overview

Tenea has been providing child care since approximately 2017. Tenea provides care to children aged two and up and offers care for all three shifts. Tenea provides a play based learning environment that includes circle time and kindergarten readiness activities. Tenea offers preschool curriculum, however, it is not overly structured. The activities and curriculum provided depends on the children in care and their ages and developmental stages. Tenea offers sensory activities including play doh and kinetic sand.

2. Identify Observed Strengths Of The Program

Tenea believes her greatest strength is her communication. Tenea communicates with parents of children in care regularly.

CHILD CARE ANNUAL EVALUATION

Tenea often assists the families with available resources when she notices a need.

3. Identify The Aspects That Fall Below The Standard

Nonsmoking signs are posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone number for reporting complaints, and www.iowasmokefreeair.gov.

110.8 (4) a : Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

6. ADDENDUMS:

- Addendum1: A follow up visit was completed on 2/9/2026. Written safety plan was completed with Tenea on this date. Tenea also had some of her noncompliance items finished. Non smoking signs have been placed on the egress window and in the transport vehicle. Emergency plans/maps have been posted by the egress window. Child files and enrollment forms have been updated. Tenea still needs her physical, Yasmeen's physical, and Deliah's Mandatory Child Abuse Reporter training certificate. Tenea will send those items upon completion. Random follow up visits may occur to ensure the agreed upon safety plan is being followed.

This Addendum is approved by supervisor on 2/10/2026
