Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Cherie Dorsett. Her contact number is 712-579-8899.

Corrective Action Required:

In regards to the monthly documentation of smoke detector checks and fire/tornado drill practices, you need to start that documentation from August 2024 and document every month. You have Brightwheel, maybe there is a page where you can type in the dates that you do these events. Documentation is part of the compliance for your childcare to ensure that providers and children have an understanding as to what to do or where to go in an emergency.

In regards to the state pet form, please work with your Veterinarian to get that next fecal sample in and be able to get a copy of the forms to compliance staff. You will need to provider photo documentation of these forms by October 27, 2024. You can text pictures of the forms to compliance staff at 712-435-0576.

In regards to the children's files in your childcare, please work with families to receive updated information on an annual basis. Work with parents and caregivers to get a copy of the report from the medical visit. Ask parents for the visit from 2024 at this time. Children's files will be checked again at your next compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Stacy Burris
