1. Basic Overview

This worker arrived at Risen Christ Little Blessings Day Care - 20645 on 12/4/25 for an annual visit. The fire inspection was completed on 6/6/2024. The center is nonprofit and overseen by a board of directors. The center serves infants to school aged children. The center is open year around. The hours of operation are 6:30am to 5:30pm. Their current enrollment is 36.

The director is Terrie Burkey. Terrie started in 9/2002.

The onsite supervisor is Berta Janus. Berta started 12/2013. Berta has her Child Development Associate's.

This worker observed all programming space in the center and outdoor area to ensure that the environment was safe, sanitary and hazard free. The center is located in a church. The center has 5 classrooms. The center’s playground includes: a climbing structure, sides, bikes, balls, art, etc.

Health and safety practices were also reviewed including handwashing, medication management, appropriate cleaning/sanitizing/disinfecting, excluding ill children/staff, incident reports, and first aid kits.

Nutritional practices and food safety were observed. The center is on the Child and Adult Care Food Program. The center offers breakfast, morning snack, lunch and afternoon snack.

This worker reviewed required postings. This worker checked staff files and child files. The licensing notebook including emergency drills, first aid supplies, playground checklist, radon testing, HVAC testing and policies were reviewed.

CHILD CARE CENTER ANNUAL EVALUATION

The center's curriculum is teacher created with a blend of Creating Curriculum. The center does offer field trips. Examples include: pumpkin patch, parks, movies, museums, etc.

2. Identify Observed Strengths of the program

-The center has done a great job of maintaining the director, onsite supervisor and lead teachers.
-The center does offer life insurance, disability and retirement benefits. They also receive vacation and holiday pay. Teachers are given $50 gas card every three months to provide financial assistance.
-Child files, staff files and licensing notebook were in full compliance.
-The center has security cameras inside and outside. They also have a secured entrance.
-The center offered families a Fall Fest, Thanksgiving Event, and a Christmas Program.
-The center offered a Graduation Ceremony for the children going to Kindergarten.
-The center is working towards achieving Iowa Quality 4 Kids
-The center uses Brightwheel for sign in/out and open parent communication.

The center has been painted inside and had new flooring installed in the hallways and bathrooms since the last licensing visit. There are additional upgrades being planned for the second floor of the building.

3. Identify the aspects that fall below the standard

109.6(4)c Iowa records checks. Checks and evaluations of Iowa child abuse and criminal records, including the sex offender registry, must be completed before the person's involvement with child care at the center.
1. Two staff files reviewed did not have the Iowa record check (SING) completed prior to the staffs' involvement with child care.

109.10(1)
1. Medication present without the parent authorization to administer the medication form.

109.11(3)a
1. Items that should not be accessible to the children are in lower cabinets in the two/three year old room (safety latch broken).

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/Recommendations

Based upon this review, it is recommended that this center remain in Full licensing status. It is important to note, all DHS licensing standards and procedures must be maintained during the renewal period. As a director, on-site supervisor, or child care staff it is vital that you know and understand all licensing standards and procedures. The licensing regulation checklist can be found by visiting: https://iowaccrr.org/resources/files/BGP/71%20Licensing_Chklist_3940.pdf

This worker will conduct at least one unannounced visit each year. This worker encourages you to establish a working relationship with your local Child Care Resource Consultant (CCR&R) and your local Child Care Nurse Consultant (CCNC).

Child Care Resource & Referral (CCR&R) provides professional development and consultation services that support the child care business's ability to achieve and maintain regulatory status in good standing and work to achieve and maintain performance at higher quality levels in Iowa's Quality Rating and Improvement. To find your center's CCR&R consultant visit: https://iowaccrr.org/staff/region_5/

Healthy Child Care Iowa is a statewide publicly funded program to improve the health and safety of children while they are enrolled in child care and early education settings. Child care nurse consultants are registered nurses who provide consultation, training, and technical assistance on health and safety policies, health programs, health of personnel, and

specific child health or safety issues. To find your center's CCNC consultant visit: https://hhs.iowa.gov/programs/programs-and-services/child-care/hcci

Date: 12/08/2025

HHS Licensing Consultant: Heidi Brown

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Care License. Please take steps necessary to completely address each of the violations noted above.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at **https://iowaccrr.org**.
