CHILD CARE ANNUAL EVALUATION

1. Basic Overview

An unannounced compliance visit was conducted on 6/5/26 at the level C registered child development home of Denise and Donald Hill. As a C level provider they are able to have 14 children at any one time plus and additional 2 school agers for a total of 16. Denise has been providing care for 34 years as a registered provider with the state. She accepts children of all ages along with state child care assistance. Her hours of operation are 5:15 a.m.- 5:15 p.m.

2. Identify Observed Strengths Of The Program

Denise and Donald have a plethora of experience giving them a good understanding of children's developmental and behavioral needs. Denise and Donald are organized as evidenced by their being in full compliance with the rules and regulations. They use the Brightwheel app for attendance and communication with the parents. They see their strengths as being a small, family oriented program. They give TLC and a safe environment. They are flexible and do arts and crafts and learning activities, but are more of a learn through play program but have structured naps, meals and snacks.

3. Identify The Aspects That Fall Below The Standard

They are in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

2026 targeted compliance of Emergency Preparedness Plans are in compliance with their current operations.
