Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Suggestions/Recommendations:

1. A DHHS Medical Physical Form needs to be completed for each household member 18 years or older.

2. When you have an assistant they need to have a certificate of completion for Mandatory Reporting and a current DHHS Medical Physical Form in their file. Please work with your CCR&R Worker, Roxana Sixtos, to add your daughter, Loida, as an assistant.

Corrective Action Required:

A re-check is not needed at this time. The above corrections need to be completed by 12/4/2023 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker, Roxana Sixtos (515-202-1310), to make the above corrections and any other compliance or training efforts.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
