Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 09/12/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

Findings:

441 IAC 110.9(4) Children's Files.
d. An admission physical examination report signed by a licensed physician
g. A signed and dated immunization certificate provided by the state department of public health

**Compliance staff checked 3 files of children in care at this visit. One file did not have the intake physical or immunization record.

Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Kelly Phelps. Her contact number is 515-802-7292.

Corrective Action Required:

In regards to missing child file information, work with the family to obtain a physical that has been completed in the past 12 months. You can also work with your nurse consultant to obtain the immunization record, if necessary. Child files will be observed at your next compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhs.iowa.gov if you have any questions regarding this letter.
