This daycare center opened in 2012. Ownership changed in June 2022 to the present owners. The owners have several child care centers in the metro area as well as Minnesota and Nebraska. This center is located within a single standing building. The center has two secured entrances. The center offers child care services for children ages infancy through school age. Kacie Harms is the Regional Director of the center. Haley Greenfield is the center's director. Kellie Hayes is the on site supervisor.

An unannounced visit was completed today. Kacie and Haley assisted with today's visit. All areas subject to HHS rules were reviewed. Mandatory postings are in place at the center's entrances. Each class had a schedule posted. This week's lesson plan was posted. Children's artwork is displayed in hallways and in the classrooms. Classrooms are well supplied with age appropriate toys, learning materials and furnishings.

There were eight classrooms in operation today. There were two infant classrooms. One infant class had four infants present. One staff was working in this classroom. A second infant class had eight infants present. Two staff were working with this classroom. A Wobblers class (1's) had eight children present. Two staff were working in this room. There were two Exploring Preschool (2's) rooms. Both of these classes had twelve children present. One class had two staff working, the other had three staff working. The center has two playgrounds. There is a rooftop playground. The playground has turf for surfacing. There are a few small climbing structures. This playground is having the surfacing redone at this time. The other playground is behind the daycare center. The older children generally play on this playground. The center completes monthly playground checks.
