CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category C-1 provider Lisa Scott on 10/7/2026. Lisa has been involved in child care for 17 years. She continues using the basement level only of her 2 story home. Lisa has an egress window and step system to serve as a second exit from the basement level. The primary space includes a big, open room and a side bedroom for napping. She had 3 children in care during our visit and has a total of 5 at this time. Lisa has no HHS-approved substitutes or assistants at this time. She has one dog and has a current vet statement on file. Lisa uses her open back yard for an outside play area and is due to renew her registration effective 10/31/2027.

2. Identify Observed Strengths Of The Program

Lisa has good years of experience in providing child care and is very conscientious in her approach to the operation. She describes her strengths as having good communication with the parents, being organized, flexibility, and the quality of care she brings to the children. Lisa has low numbers at this time allowing for good attention to the children. She describes her curriculum as being very structured and routine based. She incorporates age appropriate activities that include regular arts/crafts and some learning. They have regular outside time in the afternoons as weather allows. Lisa participates in the Food Program to enhance the nutrition of her snacks and meals.

3. Identify The Aspects That Fall Below The Standard

Lisa was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Lisa was in compliance having a plan consistent with her current operation.

I encourage Lisa to work with Cassie Strickler from Child Care Resource and Referral with any ongoing compliance or training needs.
Cassie can be reached at: (515) 782-3688

Lisa currently has no infants under 12 months of age in care. We reviewed safe infant sleeping policies for future reference.
