Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 01/18/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"b"	Electrical wiring shall be maintained, and all accessible electrical outlets shall be tamper-resistant outlets or shall be safely capped. Electrical cords shall be properly used. Improper use includes running cords under rugs, over hooks, through door openings, or other use that has been known to be hazardous
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(1)"n"	Providers shall inform parents of the presence of any pet in the home. **1.** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice). **2.** Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds. **3.** Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank. **4.** All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste. **5.** No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(5) **Safe Sleep**

441 IAC 110.8(5) "a" The provider shall follow safe sleep practices as recommended by the American Academy of Pediatrics for infants under the age of one.

a. Infants shall always be placed on their back for sleep.
b. Infants shall be placed on a firm mattress with a tight fitted sheet that meets Consumer Product Safety Commission federal standards.
c. Infants shall not be allowed to sleep on a bed, sofa, air mattress or other soft surface. No child shall be allowed to sleep in an infant seat, car seat, swing, bouncy seat, or items not designed for sleeping.
d. No toys, soft objects, stuffed animals, pillows, bumper pads, blankets, or loose bedding shall be allowed in the sleeping area with the infant.
e. No co-sleeping shall be allowed.
f. Sleeping infants shall be actively observed by sight and sound.
g. If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
4. The examination report or statement of health status shall be on file before the child's first day of care
e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be

acceptable.
h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

1. 110.8(1)b The provider has outlets that are not safety capped.

2. 110.8(1)h The provider needs to test smoke detectors monthly and keep record for inspection purposes. One smoke detector was beeping, indicating need for a new battery, during the compliance visit.

3. 110.8(1)n The provider did not have copies of pets current physicals. The provider reported that the pets were up to date but she did not have the paperwork.

4. 110.8(4)a The provider needs to post Emergency and Disaster plans/maps by primary and secondary exits.

5. 110.8(5) Safe Sleep The provider had an infant sleeping in a back bedroom with the door shut.

6. 110.9(4)c Children's Files:
-The provider was missing an Emergency Treatment Authorization for one of the files audited.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 2/1/2024 and will be reviewed at the next annual compliance check.

I encourage you to work with Brenda O'Halloran from Child Care Resource and Referral with any ongoing compliance or training needs.

Brenda can be reached at: 641-820-1923.

Corrective Action Required:

1. The provider needs to assure that all electrical outlets have safety caps.

2. The provider needs to test smoke detectors monthly and keep documentation. The provider needs to change the battery in the smoke detector that is beeping.

3. The provider needs to have current health exams for all pets on form 470-5153, Pet Health Examination Veterinary Health Certificate.

4. The provider needs to post Emergency and Disaster plans by both primary and secondary exits.

5. The provider needs to be able to observe sleeping infants by sight and sound. It was suggested to the provider to obtain a camera monitor so she could observe any infants sleeping in a different room.

6. The provider needs to assure that all children's files are up to date.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or hbailey@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Holly Bailey
