Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 02/13/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years'

training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.8(1)“h” The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

**The provider did not have 2023 documentation of smoke detector checks and drill documentation. We discussed holding on to the previous year information until the next inspection.

441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates
Iowa’s Mandatory Child Abuse Reporter Training
First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

**The provider did not have copies of these certificates available for compliance staff to see. The provider believes these are on I Power, but compliance staff is not currently connected to I Power to verify.

441 IAC 110.9(4) Children’s Files.

**When compliance was looking through children's files, compliance noticed that some forms were not signed in one family file. It is important for family signatures on forms.

**Also, school aged children are in need of a parent signed statement of health or updated physical.

Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Deb Martins. Her contact number is 712-755-7381.

Corrective Action Required:

In regards to your monthly smoke detector checks and drill documentation, please keep 2024 documentation until your 2025 compliance check. I suggest that it is kept with the 2025 form to be viewed at one time.

In regards to your First Aid CPR and Mandatory reporter training, we attempted to bring this up on your IPower login through your phone. Compliance staff apologizes that at this time, I was unable to look at I Power prior to your visit to verify these items. Once you find your certificates, please text a copy to 712-435-0576. Compliance needs to see that you are up to date on February 13, 2024. Please turn this information into compliance by March 13, 2024.

In regards to your children's files, compliance would like to see that parents are signing the forms verifying the information they provided to you. If you ever have a need to provide the emergency consent to treat and there is not a parent signaute, compliance does not know if emergency medical can accept your statement to treat.

In regards to the school aged children, kindergarten and above, they all had a phsycial in their file. Parents will need to sign page 2, parent statement of health annually. A medical physical is not necessary at these ages unless there is a new medical diagnosis that effects the time the child is in your care. Work with families to get forms signed and child files updated by March 31, 2024.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or sburris@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Stacy Burris
