CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Rhonda Wagner is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2011. Rhonda has 2 approved child care assistants. Rhonda lives in a 2 story house. She provides care on the main floor and the basement area. The basement has an egress window with permanent steps.

2. Identify Observed Strengths Of The Program

Rhonda Wagner was organized for our compliance check. Five daycare children were present during our visit, ages 2 years old to 8 years old. She was able to locate trainings for me and provide care all of the daycare children. Rhonda participates in the food program. Rhonda said the daycare children do arts and crafts, dance, do story time, work on their ABC's, numbers and colors. Daycare children also play outside in both the front yard and the backyard. Rhonda uses timeouts for discipline. She currently has no infants enrolled, but we reviewed all safe sleep regulations. Rhonda has pack and plays for infants.

3. Identify The Aspects That Fall Below The Standard

At the time of my compliance visit., Ms. Wagner was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
