1. Basic Overview

Shirley Wilson has been a CDH Category B provider since 2014. Shirley is currently living in Des Moines, in a 2 story house. Shirley uses her main floor for child care operation. Shirley provides care to any age of children.

2. Identify Observed Strengths Of The Program

Shirley provides 24 hour care. Shirley currently does not take infants. Shirley uses time out for discipline techniques. Shirley has a large backyard space for daycare children to play in.

3. Identify The Aspects That Fall Below The Standard

CHILD CARE ANNUAL EVALUATION

Each smoke detector has been installed according to manufacturer's recommendations.
Each smoke detector is tested monthly, and a record is kept for inspection purposes.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (2) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
110.9 (3) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
110.9 (3) d : Certification in infant and child first-aid that includes mouth-to-mouth resuscitation.If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
If the second story or basement is used for child care, other than the use of a restroom, there is, in addition to one inside stairway, at least one direct exit to the outside.
Child care is not provided above the second floor.
