1. Basic Overview

Deanna Campfield has been a registered Child Development Home Provider since September of 2012. Deanna is currently a category "B" Child Development Home Provider. This allows Deanna to have 8 preschool in care with an additional 4 school aged children for a total of 12 children in care at one time. If there are more than 8 children in care for more than 2 hours an approved assistant needs to be present. Deanna's husband is an approved assistant/substitute in her program. Deanna's availability for care is Monday through Friday from 5am to 4:45pm. There are 5 pet dogs in the home at the time of the compliance check.

2. Identify Observed Strengths Of The Program

CHILD CARE ANNUAL EVALUATION

Deanna is current with her required trainings as reviewed by the Registration Unit. Deanna identified her strengths as she dependable, trustworthy, and reliable. Deanna said she provide a caring and safe environment for the children in her care. Deanna has a fenced backyard with playground equipment children can play on when the weather allows. Deanna has completed Safe Sleep training and implements the practice when she has a child 12 months or younger in her care. Deanna uses redirection and Time Out as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Deanna's care receive regular meals and snacks as appropriate.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child’s regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child’s first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) h : Written emergency plans for children with allergies. Must accompany child if away from facility.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

1. Each pet in care needs to have a DHHS Pet Vet Form completed by a Vet each year. There was a form for each pet except for one.

2. Please update your Emergency Preparedness Plan and print if off so it is easily accessible.

3. The individual child files need to be updated, organized, and easily accessible.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Care Resource and Referral Worker (Katie Kytola 515-631-2913) with any compliance or training efforts.

CHILD CARE ANNUAL EVALUATION

The corrections above need to be completed by 6/1/2026 and will be reviewed on your next annual compliance check.

If you have any questions regarding this letter, please contact me at 515-601-9469 or jake.aringdale@hhs.iowa.gov.

HHS Child Development
Home Compliance Worker: Jake Aringdale Date: 3/31/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at
