Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 09/25/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)“ e”	Annual laboratory analysis of a private water supply shall be conducted to show satisfactory bacteriological quality. When children under the age of two are to be cared for, the analysis shall include a nitrate analysis. When private water supplies are determined unsuitable for drinking, commercially bottled water or water treated through a process approved by the health department or designee shall be provided.

Findings:

Per our 9/25/2023 spot check visit, the following correction needs to be made:

441 IAC 110.8(1)“e” Annual laboratory analysis of a private water supply shall be conducted to show satisfactory bacteriological quality. When children under the age of two are to be cared for, the analysis shall include a nitrate analysis. When private water supplies are determined unsuitable for drinking, commercially bottled water or water treated through a process approved by the health department or designee shall be provided.

Suggestions/Recommendations:

1. Theresa needs to obtain a current laboratory test for her private drinking water supplied through their well. The test should include bacteriology and nitrate testing, should be kept on file, and should be renewed every year.

Corrective Action Required:

No re-check is required at Theresa's operation. The above correction should be made by 11/30/2023 and will be reviewed at her next visit.

I encourage Theresa to work with Jenny Engelhardt from Child Care Resource and Referral with any ongoing compliance or training needs.
Jenny can be reached at: (319) 239-1072

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.

Sincerely,

Earl Crow
