Suggestions/Recommendations:

I encourage Shawn and Brian to work with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Corrective Action Required:

1. Shawn needs to obtain a current vet statement for her 6 dogs and 4 cats to have on file. These need to be completed using the State form she has a copy of and need to be renewed every year.

2. Shawn needs to obtain a current physician signed statement of health for herself to have on file. This needs to be completed using the State form she has a copy of and needs to be renewed every 3 years.

3. Brian needs to obtain current certification in his Mandatory Reporter training to have on file.

4. Shawn and Brian have recently allowed adult son Brian Jr and his partner Courtney to temporarily move back into the home. Shawn needs to apply to the Registration Unit to have them added to her household with required background checks. (It is noted that Brian Jr was recently an approved household member and was just removed within the past year.)

5. Shawn needs to update several of her children's files to include current physicals.

No re-check is required at Shawn's operation at this time.
Shawn needs to have a change application to the Registration Unit by 8/31/2024 adding Brian Jr and Courtney to the household.
The other changes need to be in place by 9/30/2024 and will be reviewed during her next visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.

Sincerely,
