CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Penny is a category C1 provider who has been registered for 17 years. She resides in an older home on the west side of Sioux City. There is a fenced in yard for the children to play in.

2. Identify Observed Strengths Of The Program

Penny is personable and interacted well with the children. They approached her without hesitation when they needed something. The home is clean and adequately furnished for childcare. She has a playroom with many activities for the children.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

Two children need updated physical examinations and immunization records in their files.
