Findings:

Tamarra needs to show documentation of her policies/procedures on how she would provide care to children who become sick while in her care (to include isolation of that child from other daycare children until that child's parents come to pick them up).

Tamarra needs to empty and cover her fire pit (to prevent it from becoming a tripping hazard); repair spring cover on trampoline and place enclosure on it or remove it from her outdoor play area; repair or replace leaning swingset; repair fence gate hinges to re-attach fence gate; remove ripped plastic piece at bottom of swingset slide; and repair or replace awning on swingset.

Tamarra needs to show routes for fire and tornado on her emergency plans that are posted. Some plans that are posted may need to be re-done as they are faded.
