CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tabitha Stoner is a CDH Category C1 provider, living in Altoona. She has been a registered daycare provider since 2007. Tabitha has one approved child care assistant. Tabitha lives in a 2 story house but only uses the main area for her child care operation.

2. Identify Observed Strengths Of The Program

Tabitha Stoner is not currently providing child care to anyone. Tabitha will let me know if she decides to provide care in the future. If Tabitha decides to provide care again she has toys and activities for daycare children. Tabitha has a large fenced in backyard with playground equipment. Tabitha has an above ground pool that meets all state compliance regulations. Daycare children will not use the pool. We reviewed all safe sleep regulations. Tabitha will use redirection for discipline.

3. Identify The Aspects That Fall Below The Standard

1. Your mandatory reporter training has expired.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
