Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 11/01/2022. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7	**Provider Requirements**
441 IAC 110.8	Standards. Conditions in the home are safe, sanitary, and free of hazards.
441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(1)"n"	Providers shall inform parents of the presence of any pet in the home. **1.** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice). **2.** Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds. **3.** Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank. **4.** All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste. **5.** No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(1)"p" The provider shall have written policies regarding the care of mildly ill children and exclusion of children due to illness and shall inform parents of these policies.

441 IAC 110.8(1)"q" The provider shall have written policy and procedures for responding to health-related emergencies

441 IAC 110.8(2) Use of Outdoor Space

441 IAC 110.8(2) "a" A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

441 IAC 110.8(3) Medications and Hazardous Materials

441 IAC 110.8(3)"a" All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

441 IAC 110.8(3)"c" Medications shall be given only with the parent's or doctor's written authorization. Each prescribed medication shall be accompanied by a physician's or pharmacist's direction. Both nonprescription and prescription medications shall be in the original container with directions intact and labeled with the child's name. All medications shall be stored properly and, when refrigeration is required, shall be stored in a separate, covered container so as to prevent contamination of food or other medications. All medications shall be stored so they are inaccessible to children. Any medication administered to a child shall be recorded, and the record shall indicate the name of the medication, the date and time of administration, and the amount given

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)"b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship

of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.
