1. Basic Overview

Jodi is a Category B provider. She has been registered for over 10 years. Jodi has a play based program. There is a fenced in back yard with play equipment for the children. She does not belong to the food program. Jodi has no pets.

2. Identify Observed Strengths Of The Program

Jodi's home was clean and free from hazards. I observed positive interactions between Jodi and the children. They were comfortable approaching her with their requests. I observed the children during free play time and they were well behaved. Jodi has many activities for the children to develop their fine motor skills. She also does yoga exercises with the children.

3. Identify The Aspects That Fall Below The Standard

CHILD CARE ANNUAL EVALUATION

110.8 (1) r : Certificate of registration is displayed in a conspicuous place.

The provider's current registration certificate was not posted in the home.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

The provider's paramour needs a current physical examination in their file.

110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) h : Written emergency plans for children with allergies. Must accompany child if away from facility.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

Several of the children need updated documents in their files. One child needs a written emergency allergy plan completed by their physician.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations

NA
