1. Basic Overview

This worker arrived at TINY TIGERS WRAP AROUND (PRESCHOOL) CHILD CARE - 46478 on 9/17/2025 for an annual visit. The fire inspection was completed on 9/15/22. The center is nonprofit and overseen by a board of directors. The center serves preschool aged children. The center is during the school year only. Wrap Around will be in the mornings (which is new this year) for four hours and 20 minutes, 8:15-12:35, five days a week. The wrap-around program will follow the school district's yearly calendar. Their current enrollment is 12.

The director is Alesha Eilbeck-Marchik. She has a Bachelor's Degree in Business Management. She started in 6/15.

This worker observed all programming space in the center and outdoor area to ensure that the environment was safe, sanitary and hazard free. The center uses one classroom but also has access to the gym and cafeteria. The center and outdoor area was safe, sanitary and hazard free.

This worker observed the following activities and interactions: children washing hands and enjoying lunch. • Staff interactions with the children were positive. Children had a wide variety of educational and engaging activities to choose from. The center is clean and welcoming to those who enter.

Medication is stored and documented appropriately. Handwashing procedures were followed. Center staff knew how to use their cleaning, sanitizing and disinfecting products.

Nutritional practices and food safety were observed. The center offers morning .snack.

This worker reviewed required postings. This worker checked staff files and child files. The licensing notebook including emergency drills, first aid supplies, playground checklist, radon testing, HVAC testing and policies were reviewed. The center does communicate with parents via: apps, email, conversations, etc.

The center’s curriculum is teacher created using Creative Curriculum and Iowa Early Learning Standards.

2. Identify Observed Strengths of the program

-The director and staff have been with the center ten or more years.
-The director does an excellent job of ensuring staff files, child files and the licensing notebook are in full compliance.
-The center classroom is clean, welcoming to those who enter and engaging for the children.
-The director shared that the center staff are independent and competent individuals that do a great job providing preschool services.

CHILD CARE CENTER ANNUAL EVALUATION

-The center is a secured facility.

3. Identify the aspects that fall below the standard

The center was in full compliance on the date of my visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/Recommendations

Based upon the annual visit, it is recommended that this center remain in full licensing status.

The director is reminded to review the updated Iowa Comm. 204: https://hhs.iowa.gov/media/6489/download?inline

The director is encouraged to work with their Child Care Resource and Referral Child Care Consultant https://iowaccrr.org/staff/region_5/ and their Child Care Nurse Consultant https://hhs.iowa.gov/programs/programs-and-services/child-care/hcci

Date: 09/23/2025

HHS Licensing Consultant: Heidi Brown

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Care License. Please take steps necessary to completely address each of the violations noted above.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at **https://iowaccrr.org**.
